Are you an enthusiastic and inspiring teacher with the skills, confidence, creativity and energy to make a positive impact on the lives of our students ?

You will be joining a successful department within a high-performing school. We offer Food Preparation & Nutrition, Graphic Communication and Textiles to our students from KS3 to A level. All three disciplines are very successful and popular with our students. The successful applicant will be able to teach two subjects up to GCSE or A level.

If you are a teacher with excellent subject knowledge and strong teaching skills, if you can build positive relationships with all learners and you are committed to raising the attainment of your students and if you able to respond positively and creatively to the changing expectations of the subject - please send your application to us.
