Dear Parent/Carer,

**Re: Theatre Production commissioned by Southend Council**

On Thursday 13<sup>th</sup> November our Year 8 students will be watching a theatre production called 'Prince Charming' this has been commissioned from Southend Council for selected schools in the local area. This will be taking place in school time in the Sister Mary Stephens Hall. The content will include:

- What healthy relationships look like.
- How to recognise unhealthy behaviours.
- Where to go for help and support if they need it.

Drama allows for the safe exploration of sensitive topics such as healthy relationships. Feedback from previous years shows that students engage well with the production's format, making the learning memorable and impactful. Students will follow on the session in their PSHE lessons. If you have any questions, please do not hesitate to email via [office@stbernards.southend.sch.uk](mailto:office@stbernards.southend.sch.uk)

Kind regards

Mrs J Thomas

**PSHE Coordinator**
