Dear Parents/Carers,

Re-Uniform Policy Reminder - Necklaces

It has come to my attention that some students are wearing "blingy" crosses and other necklaces to school. Please be reminded that in line with our uniform policy only a simple cross can be worn, anything other than a simple cross will result in our behaviour policy being used.

If you are unsure, please in the first instance ask your daughter to speak with their form tutor or Head of Year.

Students have had the opportunity to check necklaces with their form tutor today in registration.

Please do not hesitate to contact us if you need any further information.

Warm regards,

Mrs Drisdale

Assistant Headteacher
