

15<sup>th</sup> January 2026

Dear Parents and Carers,

I am writing to inform you that on Wednesday 28th January, a professional theatre company, Quantum Theatre, will be visiting the school to perform a live adaptation of Charles Dickens' *A Christmas Carol* for our Year 10 students.

This performance links directly to the GCSE English Literature syllabus, as *A Christmas Carol* is one of the core texts that students are currently studying. Watching a live performance will help students to deepen their understanding of the characters, themes, and key moments in the novel, and will support their learning in lessons.

The performance will take place during the school day, on site, and students will be supervised at all times by staff. There is no action required from parents or carers, and students will not need to bring anything additional on the day.

We are confident that this will be an engaging and valuable educational experience for the students, and we are very pleased to be able to offer this opportunity.

If you have any questions, please do not hesitate to contact the school.

Kind regards,

Mr M P McGorry

Teacher of English
