

COVID-19 Testing Privacy Statement

Ownership of the Personal Data

To enable the Covid-19 testing to be completed at St Bernard's High School, we need to process personal data for staff and pupils taking part, including sharing of personal data where we have a legal obligation. St Bernard's High School is the Data Controller for the data required for processing the tests and undertaking any actions which are needed by the school to ensure we meet our public health and safeguarding legal obligations.

Personal Data for Pupils and Staff

Personal Data is processed under the legitimate interest of data controller to ensure we can minimise the spread of COVID in a timely manner and enable us to continue to deliver education services safely and securely.

If you decline a test, we record your decision under the legitimate interest of school in order to have a record of your decisions and to reduce unnecessary contact with you regarding testing. The processing of special category personal data is processed under the provisions Section 9.2(i) of GDPR, where it is in the public interest on Public Health Grounds. This data is processed under the obligations set out in Public Health legislation (Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI)) which allows the sharing of data for COVID related purposes and where it is carried out by a health care professional **OR** someone who owes an equivalent duty of confidentiality to that data.

Data Controllership is then passed to the Department for Health and Social Care (DHSC) for all data that we transfer about you and your test results to them. For more information about what they do with your data please see the Test and Trace Privacy Notice. St Bernard's High School remains the Data Controller for the data we retain about you.

Personal Data Involved in the Process

We use the following information to help us manage and process the tests:

- Name
- Date of birth (and year group)
- Gender
- Ethnicity
- Home postcode
- Email address
- Mobile number
- Unique barcode assigned to each individual test and which will become the primary reference number for the tests
- Test result
- Parent/guardians contact details (if required)

We will only use information that is collected directly from you specifically for the purpose of the tests, even if you have previously provided us with this information.

How we Store Your Personal Information

The information will only be stored securely on local spreadsheets in school whilst it is needed. It will also be entered directly onto DHSC digital services for the NHS Test and Trace purposes. Schools will not have access to the information on the digital service once it has been entered.

Processing of Personal Data Relating to Positive Test Results

The information will be transferred to DHSC, who will share this with the NHS, GPs, PHE and the Local Government will use this information for wider test and trace activities as well as statistical and research purposes.

This information is processed and shared under obligations set out in Public Health legislation under Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI) which allows the sharing of data for COVID related purposes.

This information will be kept by the school for up to 14 days and by the NHS for 8 years.

Processing of Personal Data Relating to Negative Test Results

We will record a negative result and the information transferred to DHSC, NHS, PHE and the Local Government who will use the information for statistical and research purposes. This information is processed and shared under obligations set out in Public Health legislation under Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI) which allows the sharing of data for COVID related purposes.

This information will be kept by the school/college for up to 14 days and by the NHS for 8 years.

Processing of Personal Data Relating to Declining a Test

We will record that you have declined to participate in a test and this information will not be shared with anyone.

Data Sharing Partners

The personal data associated with test results will be shared with

- DHSC, NHS, PHE – to ensure that they can undertake the necessary Test and Trace activities and to conduct research and compile statistic about Coronavirus.
- Your GP – to maintain your medical records and to offer support and guidance as necessary
- Local Government to undertake local public health duties and to record and analyse local spreads.
