

KS5 – PSHE Schedule 2020-21

An extensive PSHE curriculum is offered at St Bernard’s with planned, differentiated lessons that are delivered by form tutors. There are a range of external speakers who are invited into school and these sessions either take place in forms or as a year group with the form tutor and the Head of Year being present.

Due to Covid 19, lessons are now three hours long and we are unable to invite external speakers into the school to deliver specific topics. Where appropriate, some of these sessions have been delivered remotely, but for some topics, this would not be appropriate due to the nature of the content. If the school can invite external speakers to school in the summer term, this will be arranged.

The school is still able to offer a wide range of topics from the PSHE curriculum and there has been an emphasis at the start of the year on student wellbeing due to lockdown.
